## How to add your business

1. Start by clicking the button “+Add Business”
2. You will be redirected to the add business page on your profile.
3. Make sure to fill in all the required details:
  - a. Press search after adding your business postal code.
  - b. Add your business/house number.
  - c. Add various types of images corresponding to the subtext.
  - d. Add your opening hours during Weekdays and Weekends.
4. Recheck all the required fields.
5. Press submit after recheck.
6. Your business will be accepted after 3-5 business days, followed by an email notification.

## Editing your business

1. Navigate to your “My Business” page and click on “Edit Business”.
2. A similar layout as the “Add Business” page will pop up.
3. Here you can edit all your business information, in the end do not forget to check all the data, and press “Submit”.
4. After you submitted the data, we need to accept the changes that you have made.

## Adding Products

1. Navigate to your “My Business” page and click on “Products”.
2. Then press “+Add new product”.
3. The following page will open.
4. Here you can add the product:
  - a. Choose a category the product falls under.
  - b. Add the name, price, and duration of the product.
  - c. You can now choose whether you want your product to be bookable this way people can plan their booking in our agenda or buy a coupon and come anytime they want.
  - d. Afterward choose the category display name, this is the category name shown in your account.
  - e. Then choose whether you want to give a description of your product or not
  - f. You can also assign staff members to the product.
  - g. In the end you can also add extra information if needed.
  - h. Confirm by clicking the “Submit” button.
5. To add more products, you repeat steps 1 to 4

Search:

Product details Back
